FY25 FUNDING RECOMMENDATIONS | PUBLIC ART:

ART BANK PROGRAM GRANT

SEPTEMBER 26, 2024, COMMISSION MEETING

Grant Program Name:

FY25 Art Bank Program (ABP)

Grant Program Description:

In support of local visual artists and art nonprofit organizations, CAH acquires fine art. The ongoing and annual acquisition of art from metropolitan artists becomes a part of the Art Bank Collection. Artwork in the collection is managed by the Public Art Department of CAH and loaned to District government agencies for display in public areas and offices of government buildings. The Art Bank Collection, which started in 1986, has over 3,000 artworks in various media.

For the purpose of this grant, metropolitan artist is defined as a legal resident of Washington, DC, or a legal resident of within a 50-mile radius of the Washington, DC boundaries, for at least one (1) year prior to the application deadline. Award amounts to metropolitan artists vary but eligible applicants can be awarded up to $15,000 for individuals and up to $20,000 for nonprofit art galleries or organizations.

Program Goals include:

- Growing the District's collection of art to reflect the rich, diverse artistic history and communities of the District of Columbia and metropolitan region.
- Providing support, exposure and professional benefit for visual artists residing in the District of Columbia and metropolitan region.
- Enhancing the aesthetic experience for District employees and visitors that access the District of Columbia government buildings and public spaces.

Number of Cycles: 1

Award Amount History:

FY2025	$384,067.00	68 Artists	77 Artworks
FY2024:	$347,060.00	76 Artists	88 Artworks
FY2023:	$334,700.00	75 Artists	100 Artworks

Number of Panels: 4 Panels
Grant Manager: the Curator Curator
Convener: Convener A

Ranking and Award Justification:

- **Cut-off:** All eligible applications were reviewed and scored by panelists, in an online review of portfolios, on a scale of 1-10.
    - Panelists recommended select works for in person finalist round review, with a standard cut off of 7

    - In a second round in person review, all 111 finalists work were reviewed. Panelists made recommendations based on a "yes," "no," or "maybe" judgement.
    - The Public Art Team then reviews all recommendations from the panels. In some instances, the Public Art Team may recommend that a work be added or removed from the list of recommended works. This is based upon the criteria as defined in the RFA, including: suitability for a public collection; whether the work is redundant of existing works in the collection; any conservation, framing, or maintenance concerns.
- **Allocation of Funds:**
    - Funding is available to support the recommendation of 68 artists' works, and the total acquisition of 77 artworks.
    - Artists are funded in full based on the applicant's request up to the maximum allowable amount by cohort. (Individuals up to $15,000; Organizations up to $20,000).
- **Total recommended request: $384,067.00**

Outreach and Observations:

- There was a 21% increase in completed applications between FY24 and FY25, from 235 to 289.
    - This year we saw an increase in first time applications. Among the 289 applicants, 103 were first time applicants (36% of total applicants) in comparison to 67 in FY24 (29% of total applicants)
    - There was a dramatic decrease in the number of ineligible applications due to PAT outreach efforts to applicants after the application deadline. An eligibility review of missing and incomplete documents and a targeted outreach strategy to support applicants in fulfilling their compliance requirements reduced the number of ineligible applications from 75 to 5. In FY24, there were 97 total ineligible applicants.
- Among the 68 recommended artists, there are 19 artists that are new to the Art Bank Collection
    - This meets our FY25 goal of 25% of recommended artists being new to the collection
    - Among the 111 finalists, 61% were accepted
- The majority (56%) of applicants in FY25 are from the District of Columbia, with Maryland and Virginia applicants trailing respectively. Compared to FY24, there was the biggest increase in the number of applicants from Maryland.
    - DC applicants: The highest number of applicants came from Ward 5 (30 applicants) and Ward 1 (29 applicants). Compared to FY24, we see the greatest increase in applicants in Ward 1 and a smaller increase in Ward 4. There was no substantial change in the number of applicants from the other wards
- In 2023 CAH added additional focus to the RFA and Panel scoring to highlight the Artist's contribution to the arts in DC. Applicants were required to provide a new Impact Statement giving artists an opportunity to further detail how their career and work commits to the growth of the arts in Washington, DC. This addition has continued to prove impactful in shaping a diverse applicant pool committed to DC arts ecosystem.
    - Similarly, the thematic content displayed within the acquired works this year represents a strong diversity of perspectives and identities from across the metropolitan region, including depictions of queer and trans people, black and brown children and families, world histories, varied cultures, the impacts of incarceration, among many others.
- Outreach efforts were increased by the following:

- Created an informational one-page flyer that was distributed and emailed to local nonprofit organizations, Business Improvement District (BID), and Mainstreet Organizations to reshare and post on community boards.
- Sent personal emails to individual DC artists and artists groups to apply with a focus on bringing in artists who are new to the Art Bank collection (including Black Artists of DC; 52 O St. Studios, and Anacostia Arts Center).
- Additional one-on-one meetings and calls with prospective applicants to assist with technical issues and answering questions.
- Facilitated 3 FY24 Art Bank Program Grant Workshops with a total of 66 attendees.
  - April 17 (20 attendees)
  - April 29 (16 attendees)
  - May 10 (30 attendees)

Committee Recommendation For FY25 ABP grants:

The Public Art Committee recommends adoption of the following resolution:

"Resolved, that the Commission adopt the funding recommendation for the FY 2025 Art Bank Program Grant as presented for a total funding amount of $384,067.00."

FY25 Art Bank Stats | Key Takeaways

Total Applicants

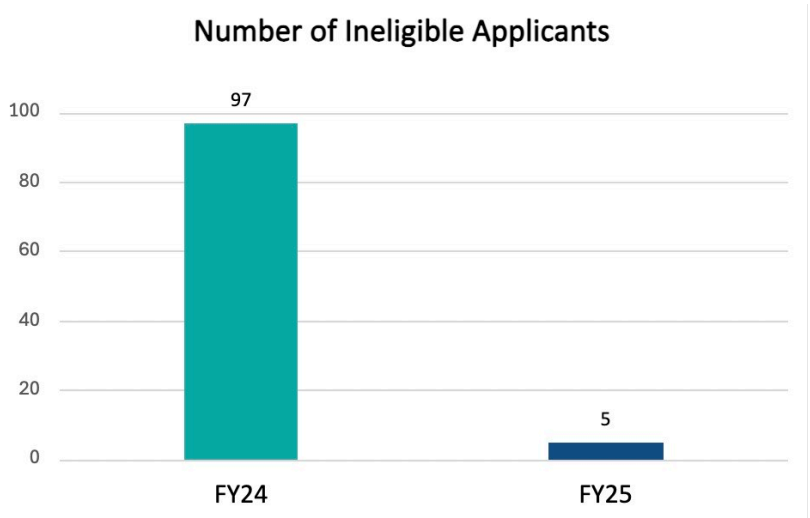

Record number of total applicants:

- **Total Number of Applicants:** 289
- **Total Number of First Time Applicants:** 103 (36% of total applicants)

Ineligibility

Dramatic decrease in number of ineligible applications due to PAT outreach efforts to applicants. The original 75 ineligible applications were reduced to 5. In FY24, there were 97 total ineligible applicants.

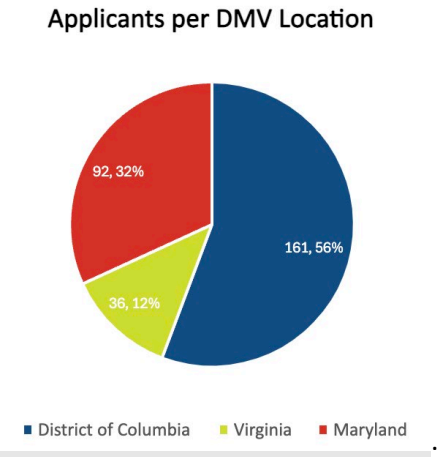

- **Total number of Ineligible Applicants in FY25:** 75
- **Number of Ineligible Applicants in FY25 AFTER outreach:** 5

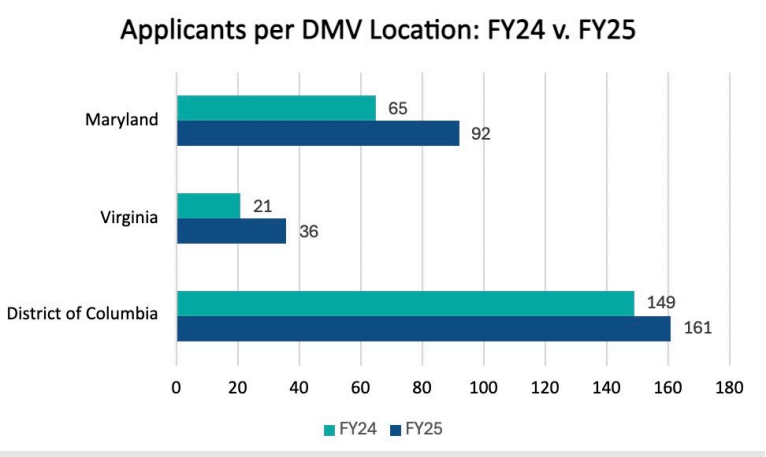

DMV Location

The majority (56%) of applicants are from the District of Columbia, with Maryland and Virginia applicants trailing respectively. Compared to FY24, there was the biggest increase in the number of applicants from Maryland.

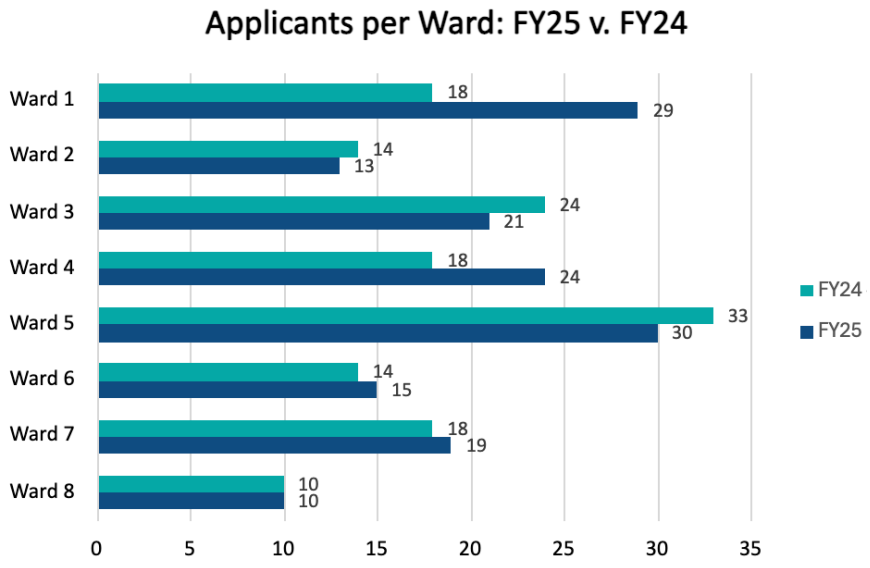

- **District of Columbia:** 161
- **Virginia:** 36
- **Maryland:** 92

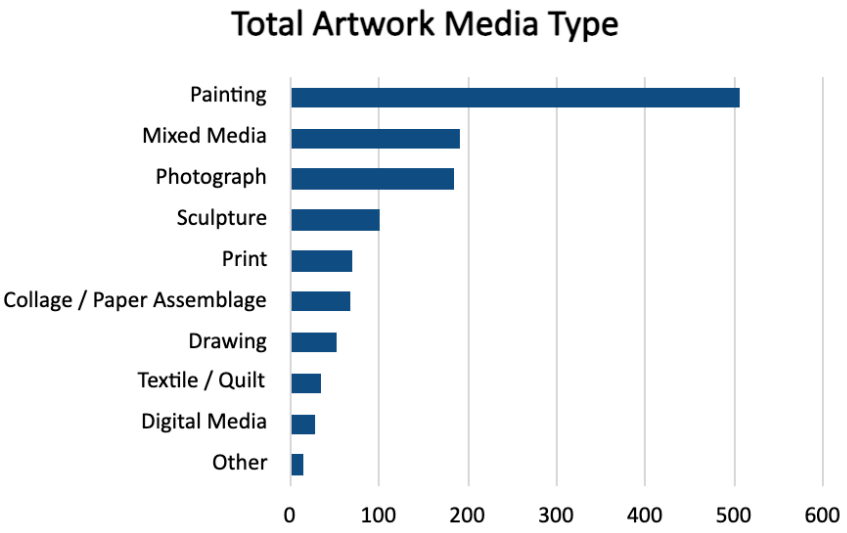

Wards

The highest number of applicants came from Ward 5 (30 applicants) and Ward 1 (29 applicants). Compared to FY24, we see the greatest increase in applicants in Ward 1 and a smaller increase in Ward 4. There was no substantial change in the number of applicants from the other wards.

Artwork Type

The majority of the submitted artworks were paintings, with mixed media and photographs in 2nd and 3rd, respectively. This data came from the artists self selecting the artwork media type from a dropdown, so it is likely that there were more mixed media works in reality, but artists selected 'Painting' instead.
